1. What did you like best?
2. On a scale of 1-10, where are you? 1 = no interest, 10 = Ready to go
3. Hypothetically, if you were to start on a part-time basis, how much would need to earn per month to make it worth your time?
4. Realistically, how many hours per week are you willing to commit to develop that income (from #3)?
5. How many months would you be willing to commit those hours per week (from #4) to achieve the income (from #3)?
6. If I could show you a way you can earn \$__ per month (from #3) working __ hours per week (from #4), would you be willing to get started today?
